To Whom it may concern;

I regret to inform you that Dr Spence was killed in an automobile accident on Feb 4, 1993. Its my understanding that he went very quickly and did not suffer. It was a hit & run and the driver that struck him to this date has not been apprehended. Im sincerely sorry for not notifying your organization sooner its been very difficult for his children & myself we are still struggling to come to terms with his loss.

Regretfully
Dora Spence
