

# WOLFGRAM

Seawolf (HAL-3) Assoc.

Spring 1992

From Tom Olby, President

Dan Smiley was authorized to spend the necessary funds to advertise for lost Seawolves. Hopefully, this will build our association now, rather than just giving a big push before the next reunion. I authorized Dan to spend funds to find lost Wolves. Con Jaburg is currently in Saudia Arabia, His address is: Booz-Allen, Hamilton Inc.

Rich Lambert and Don Stedman are working hard on the Seawolf scholarship fund. The plan, which I endorse, is to award a scholarship at our next reunion (Pensacola in 94).

From Don Thomson, Historian

Peter Mersky has decided to rescind the contract that he signed, to write a book on the Seawolves. This is a project that Don Thomson has been working on for several years. Don assures me that this project will not be dropped.

The GAMEWARDEN Association is having a national reunion in St. Louis this coming July. Adm. Zumwalt will be attending. The GAMEWARDEN reunion hotline is .

Don Thomson also has beautiful six color plastic drink cups for sale, at \$1.00 each plus postage. Contact Don at \_\_\_\_\_, telephone \_\_\_\_\_.

- Those of you who attended the San Diego reunion will recall that Charlie Borgstrom was seriously ill with cancer. The good news is that Charlie's cancer is in remission, he is feeling great. Charlie wants you to know that the VA did him right.

Many members at the San Diego reunion expressed a interest in putting a history of the Seawolf home base and detachments on a video to be shown at the next reunion. If you are interested in being responsible for a history of out home base or a particular detachment make sure to let me (Tom Olby) know ASAP. I think the idea has merit and we have time to get this done before the next reunion.

**Editor Notes:**

Talked with Marty Twite about the status of the Seawolf helicopter for the Air and Space Museum. Marty has managed to finesse the weapon system mounts. Mini guns are still needed though. So far Marty has not spent dollar one of Seawolf Association money.... This is a big job that didn't just happen. It has taken a lot of time on Marty part nurse this project through. Speaking for all of us Marty, we appreciate your efforts.

I just finished talking with Joe Mount of Dumfries VA. Joe as you will recall, along with a small group of Seawolves are placing two wreaths on the Vietnam Veterans Wall in commemoration of the 25 Anniversary of HAL-3 Commissioning and 20 Anniversary of HAL-3 Decommissioning. Both wreaths will look like the Seawolf emblem. One will be a flora while the other hand made by Marie Leduc will be of artificial flowers. We hope the Marie's wreath will be placed in the Wall vault. The wreath laying will have taken place on April 25, 1992. Wreaths along with 45 red and white carnations with names of Seawolf KIA and MIA were paid for by Seawolf Association. The initiative to make this happen was all Joe Mount and George Leduc,
