Ref: (a) HA(L)-3 INST 1616.2

1. In accordance with reference (a), ADJAN Henery J. HARRISON, B76 19 86, USN is recommended for Sailor of the Month for December 1971.
2. Airman HARRISON is assigned to the Check Crew Branch of the Aircraft Division. He is assigned the duties of Look Phase Inspection of the Power Plant and related systems of the UH-1 series helicopter.
3. Airman HARRISON has learned his assigned task very quickly and efficiently, even though he has been in the Navy for only a short period of time. He is thoroughly checked out in the look phase inspection for the power plant & related systems and is eager to assist others to acquire a better product.
4. Airman HARRISON has saved the Navy much money by his outstanding maintenance work and by his quick reaction in emergency situations. On one occasion during December, he was assisting the Power Plants Branch with an engine turn through to prime a new fuel control when fire broke out due to a faulty generator. With expedient reaction and complete disregard for his personal safety, he grabbed a fire bottle and extinguished the fire. Due to his actions the engine and helicopter were saved from extensive damage.
5. Airman HARRISON has volunteered for the Quick Action Response Team proving himself to be dedicated with great devotion to the Navy and Country.
6. Airman HARRISON gives a great deal of moral support to the check crew and maintenance department by his easy going manner toward any situation that arises.

7. Airman HARRISON is exceptionally well qualified and is highly recommended  
for Sailor of the Month Award.
