Memorandum

DATE: 5 SEPTEMBER 1971

FROM: AVIONICS - AT BRANCH

TO: AV/WEIS DIVISION OFFICER

SUBJ: SAILOR OF THE MONTH award for the month of AUGUST:

Adkins, Eugene D. AT2 522-73-62 USN

Petty Officer Adkins has been with HA(L)-3 just a couple of months and has impressed his supervisors and seniors with his constant hard working efforts in learning and maintaining the Avionics systems. His positive attitude and quick learning has helped make him a very valuable asset to the shop and in turn an asset in helping the squadron complete it's assigned mission. He has been put in to be a collateral duty inspector. Also, he has went to Det. to repair radios which was accomplished by rewirring a system and therby helped the Det. stay on station and not have to come to Binh Thuy.

Petty Officer Adkins is always neat in appearance and does set an example for his juniors and contemporaries to follow. He is respected by all those who work with him and for him and in this vain he can get the shops assigned tasks completed in the absence of his supervisor.
