

5 Oct 1971

Memorandum

From: Aircraft Division Officer  
To: Leading Chief Petty Officer

Subj: Sailor of the Month award; recommendation for

Ref: (a) HA(L) 3 INST 1616.2

1. In accordance with reference (a), AMS3 Stephen P. Myers, B44 87 14, USN is recommended for Sailor of the Month for September 1971.
2. Petty Officer Myers is assigned to the Tracking Crew Branch of the Aircraft Division. His duties consist of : Isolating and eliminating vibrations on the H-1 series helicopter, tracking the blades, and trouble shooting and repairing minor discrepancies associated with the tracking process.
3. Petty Officer Myers is an extremely conscientious, dedicated, professional Navy man. He has continuously demonstrated a superior knowledge of the H-1 helicopter systems and he has the ability to put this knowledge to practical use. He is courteous and polite when dealing with others, and is highly respected by both seniors and juniors alike. His appearance is flawless, and serves as a perfect example of meticulous care in personal grooming and military dress. He has a positive approach towards each assignment and willingly sees each job through to completion, regardless of overtime or missing meals. His superior technical competence, untiring physical stamina and can-do attitude have contributed immeasurable to the high aircraft availability and reliability enjoyed by this squadron.
4. Petty Officer Myers is exceptionally well qualified and is highly recommended for the Sailor of the Month award.
