

FROM: Aircraft Division Officer
TO : Leading Chief Petty Officer
SUBJ: Sailor of the Month Award

REF : (a) HA(L)-3 INST 1616.2

Nov 2, 1971

1. In accordance with reference (a), AMS-3 STEPHEN P. MYERS, B44-87-47, USN is recommended for Sailor of the Month for October 1971.

2. Petty Officer MYERS is assigned to the Tracking Crew Branch of the Aircraft Division. He is responsible for isolating and eliminating vibrations, tracking the blades, and repairing minor discrepancies associated with tracking the UH-1 series helicopter.

3. Petty Officer MYERS is an extremely conscientious, dedicated, professional Navy man. He has performed all his assigned tasks in an outstanding manner. He is qualified collateral duty quality assurance inspector and is constantly trying to learn more about the UH-1 aircraft and of his rate. He has continuously demonstrated a superior knowledge of the UH-1 helicopter systems and he has the ability to put this knowledge to practical use. He is courteous and polite when dealing with others, and is highly respected by the squadron test pilots for his superb professionalism and devotion to duty. His appearance is flawless, and serves as a fine example of meticulous care in personal grooming and military dress. He has a positive approach toward each assignment and sees each job through to completion, regardless of overtime or other fatiguing circumstances. His superior technical competence, untiring physical stamina and devotion to duty have contributed immeasurably to the high aircraft availability enjoyed by this squadron.

4. Petty Officer MYERS is exceptionally well qualified and is highly recommended for the Sailor of the Month Award.
