OPEN/SUSPENDING

The search was for the pilot of BENNETT
a USAF F-105 that was downed
by hostile fire 20 mi. W. of Dong Hoi.
Crown 4, an He-120 was notified and
diverted to the area to act as OSC.
2 Tolly greens escorted by 2 A1F were
scrambled and the aircraft wreckage
was located however there was no
evidence of a survivor as the actt
apparently went straight in. The mission
was suspended due to lack of visual
or electronic contact and no chute
was seen after the actt was hit.
Future mission actt will conduct
electronic search in the area.
