

June 17

Dear Mom + Dad + Kids,
Hi, and how is everyone. Fine I hope. All is OK here. My hand is OK it was a little squirmed or something. Right now I am 5 miles south of Tam Key in the supply area. The rest of the company will get here tomorrow or so. The whole Batt is taking over a new area, it isn't too bad.

So how is everything at home. Will the family going down to Tom's Revue or so for a week. That will be a nice rest for Bill. Is Kate looking forward to her new school. I hope she is up on her civil rights because she just might need it. Will that about it for now. Take care. I sent two rolls of film home. They should come out pretty good. I shave off my mustache, I got tired of it. Well all for now.

Love,
Robert
