Dear Mom & Dad & Kyle,

Hi, and how is everyone. All is OK here. I am glad Dad & Mechelle received my letter. Well I have some good news for the family. I am driving a truck now. I just got it yesterday. I got lucky & landed a job in the rear. I hope to keep it as long as I can. I am pretty happy about it. Thank God, things work out for the best. Most of my buddies are here, Connor & Keeler, Keeler is driving too. So what do you think of that.

At least I'll have a bed to sleep on. Well that about it for now. I received your letter today Mom, haven't heard any thing from state yet but still hoping. I'll let you know as soon as I get it. Take care & keep smiling everyone.

Love,
Robert
