

July 14
Dear Mom + Dad + Kids,

Hi, and how is everyone. I'm I hope all is OK here. Well my career as a truck driver is over, I am now back to climbing the hills + stuff. We made a little jump north + then grabbed every one. All my buddies are here. We are located on top of a huge mountain + work off of that. Its pretty scenic area.

So how is everything. That was nice about the mess for 4th of July. If you already have gotten that letter of acceptance, save it until you get that letter saying I'm a full time student + then mail that back to me OK. If you don't get

a second copy forget it. just mail
the full time student letter to
me. Well take care, its slow
time now.

Love,
Robert
