

July 20
Dear Mom & Dad & Kids,

Hi, and how are
you. Fine I hope. All is
OK here. Well that God I
received the letter from state.
It nearly knocked me off my
feet. It stated everything
that I need. I will try
to get back in ^{today} and submit
the form to get out. I might
leave on the 40's chopper. I
think it will take at least
2 weeks or so to get an answer.
I don't think there will be
any problems concerning the answer.
I hope. It is about 115
degrees now & plenty hot. Well
the cure, keep your fingers
cross & keep smiling. Love,
Robert

P.S. Tommy, I'll forward the
money to you for the state!
