

July 21
Dear Mom + Dad + Kids,

Hi, and how is everyone. Give I hope. All is OK here. Well they sent the letter in, I couldn't take it in myself, (They wouldn't even saw me again if I did) It will be type up, and then the form will be sent to me, maybe tomorrow or the next day. I will sign it and it will be sent up for approval, which we all hope it is yes. The C.O. said to me, they will never disappoint for fall semester. Help of God we should get the right answer in 2 weeks or before. In the meantime I will stay here at the L.Z. It is pretty secure so don't worry about anything.

I am thankful to God I
got accepted and all. I had
to read the letter about 5
times to believe it. I really
think I will make a school
after this place.

I got a letter from
Uncle Al, what a good guy
he is. He is sending me another
package. On the back of one of
his letters he drew the Chestnut
Bar in Action. It was funny.

So I saw in everything all
love. Mureen really looks good
in that newspaper clipping. Speaking
of newspaper, ~~send~~ send a couple
of jerseys like you did the
T-shirts & send them to me OK.

You can do it a couple of times.
Well that about it for
now. Have a good time down the
shore & maybe with the help of
God, we all spend Labor Day down
there.
Love, Robert
