Dear Dolf:

Both Linda and I wish to express our extreme gratitude for the wonderful evening at our house, which was made possible by your very stimulating conversation.

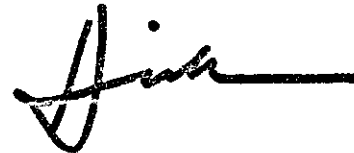

We have heard from every one of the guests and without exception all of them totally enjoyed the evening and were highly impressed by what they heard from you.

Thanks also for sending on the material pertinent to the discussion.

Linda and I look forward to seeing you soon again.

Best personal regards.

Sincerely,

Mr. Dolf Droge
