Dear Concerned Citizen:

Thank you for your contribution. We hope you will wear this bracelet proudly and tell all of your friends about it as well.

VIVA is a non-profit student organization dependent solely on contributions. Your donation enables us to produce more bracelets, print and distribute literature, bumper stickers and other related POW material, both to the community and schools throughout the nation.

Many would like to have more information about the man whose name appears on their bracelet. You may obtain this information by writing his family in care of VIVA, [redacted], Los Angeles California, 90024.

Others have asked how they may help. One way is to call upon friends, local merchants, community organizations, etc. to help distribute letters, petitions, bracelet order forms and other POW/MIA material. These materials, in addition to counter displays, are available through the VIVA office.

Any contact to student groups, schools, or community organizations which would sponsor a POW/MIA information program or speaker would also be appreciated.

Thank you once again.
