UNIQUE ITEMS WANTED

While I will pay fair prices for items received I do have some items for trade if you are interested. I have very nice walnut medal display cases that are nicer than anything I have seen on the market. These cases will hold from 15-20 medals. I also have most medals if you are short any. All vets that served in Vietnam were awarded the Vietnamese Cross of Gallantry and the Vietnam Campaign Medal, but most never received the actual medals. I have these for trade. Will trade these or other items for things I could use in my collection.

PROJECT TO PRESERVE VIETNAM WAR PHOTOS AND SLIDES - I would like to borrow slides and photos with the purpose of locating historically interesting subjects. For example, want photos of individuals wearing unit patches, aircraft depicting nose art, crashed aircraft, etc. Slides and photos will be copied and originals returned. I am using copies in my reunion displays and also providing to Aviation Museum. Please provide some historical information with photos.

UNIT/BIOGRAPHICAL INFORMATION - I am most interested in obtaining unit pocket patches that were sewn to flight uniforms or were put in plastic and suspended from a button on shirt. If I get any unit patches from you please provide the following: UNIT IDENT, LOCATION, CALLSIGN, YOUR NAME, DATE SERVED WITH UNIT, YOUR RANK, YOUR POSITION, TYPE AIRCRAFT and any other info you think relevant. Info will be retained and displayed with the unit patch.
