Dear Phil,

Greetings, I hope you are well. Thank you for your letter and the article on the helicopter war, I shall try to use some of it in the book.

I have written to Joel Dozhier and appreciate you putting me in touch with him. If you come across any other guys do remember me.

There was a mix-up over THE AIR WAR IN VIETNAM book. It has the same name in the US as in the UK and is distributed by Bookthrift of New York, not Outlet. Regardless, a copy should be on its way to you. The mix-up was over a similar book by Rene Francillon and you may even get a free copy of that too, if they did not stop the order! It will give you something to read anyway.

I thought I would enclose your first Christmas card this year as well. They say to post early for Christmas. Also the extra NAM copies that you requested with my thanks.

Are there any Air America pilots listed in the VHPA directory? I want to make sure that I cover all aspects of the helicopter war, including the obscure operations and units.

Take care and best wishes to the family,

Phil
