Mr. Phil Marshall

[Redacted]

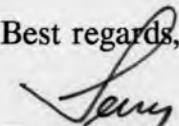

Dear Phil:

I want to thank you for all your time on Saturday (on a very busy day at that!) and your interest in our plans for our Vietnam exhibition in 1997. Many thanks also for inviting me to join you for your luncheon program which I thoroughly enjoyed. Col. Strayer had quite a story to tell!

If I understood correctly, you and your associates seemed generally very supportive of our plans. As I explained to you, in order to make it all happen we will need to find several sponsors to help finance the exhibition. It would be very much appreciated if you were able to come up with some specific contacts at corporations which might have an interest in learning about the Vietnam exhibition and the benefits of sponsorship.

Thanks so much again for all your help, and I look forward to staying in touch.

Best regards,

Tarrant Putnam
Development Officer
