

HAVE GUNS WILL TRAVEL

Have Guns Will Travel by Joe Kline © 1995. Featuring
UH-1H Huey Gunships. For information on his limited
edition prints please contact Joe Kline Aviation Art, 6420
Hastings Place, Gilroy, CA 95020.

IN THE BEGINNING . . .

1998 JANUARY

Although these photos were not taken in Vietnam, few good photos of these helicopters exist. They were the forebears of the most successful helicopters in history, the UH1 series and the CH47 series, so they deserve to be shown. Clockwise from upper left: CH21 goes hot, CH34 Choctaw in flight, CH37 Mojave at a hover, CH21 with sling load. These shots were taken at Fort Rucker, source unknown. If you have better photos, please send them with captions to Ken Fritz, c/o VHPA Hqs, for a future calendar.

BIG BOY AT REST

1998 FEBRUARY

CH54A Sky Crane with pod removed at An Khe. This photo was taken by SP5 Allan Holm, USA SP Photo Det, Pacific, December 10, 1965. On the back it says, "An Khe, RVN where the 1st Cav Div. (Air Mobile) is stationed". Note the Cav patch on the door and the logo on the nose. Further details are sought. Please send comments to the VHPA Newsletter.

TOMCAT 31

1998 MARCH

UH1-B gunship of D Co. 229th AVN (AW) 1st Cav, December 1966. Near Phan Thiet with pilots WO1 John Mateski and CPT Dave Hockett. Photo by VHPA member Dave Rittman. Look carefully in the background below the clouds for the C-130 flying right to left. Inside the blue emblem on the door is a Smiling Tiger by Disney Studios. Disney sent them decals to use for their "nose art" after one of the crew members wrote complaining that they had no good artists, but since Disney had good artists, maybe they could help? Resourceful!

THE DEANS AT WORK

1/17/64
J. R. Dean

1998 MAY

These CH21 Shawnees arrived in Saigon December 1961 aboard the USS Core, with the 57th Transportation Co., first helicopter company in Vietnam. The photo was given to the VHPA by Lt. John "Peg Leg" Givhan, one of the Deans of the 120th AVN Co. Dated 1/17/64, the Kien Hoa assault was the largest heliborne assault in the history of Vietnam to that date. This photo was taken after an all day series of lifts into bad Lzs and is good formation, especially after logging over 10 hours of assault work. Thanks John!

LOOKING FOR HOLES

1998 JUNE

At LZ Oasis, Trp C, 1/9 area, April 1967, a USAF Kaman H-43 Husky landed to check out the ship for holes after receiving enemy fire over Cambodia on a rescue mission. Note the civilian blade antenna under the nose. 1/9 crew member was there to look over what he called a strange looking bird in their area.

SMILING TIGER

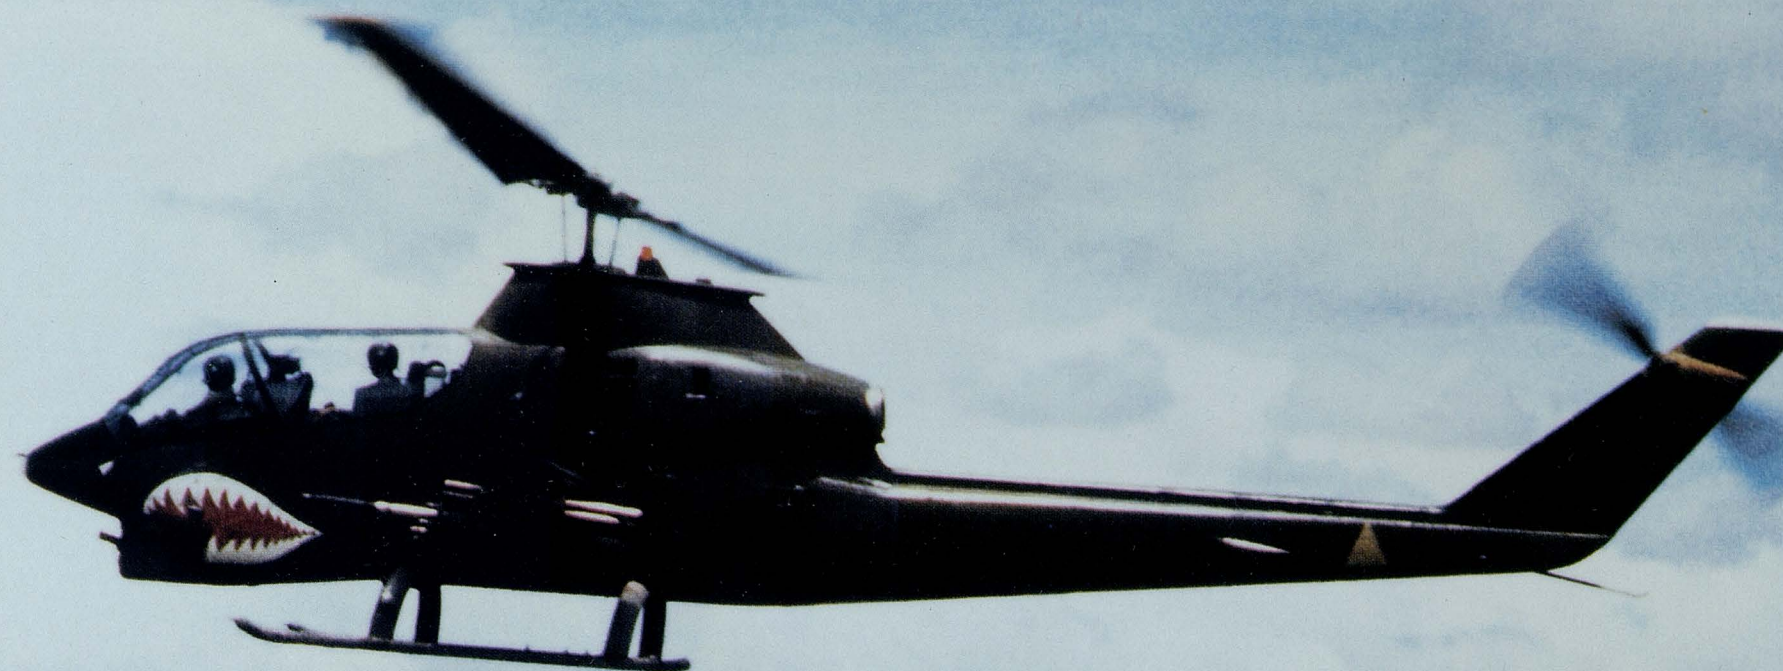

1998 JULY

A Smiling Tiger UH1-B, D Co. 229th AHB 1st Cav Div. flies through the Bong Song pass June 1967. Armed with four flex mounted .30 cal machine guns, fourteen 2.75 inch rockets and an M-6 40 mm grenade launcher, it is ready to go to work. Photo by VHPA member Al De Mailo, Smiling Tiger 21, '67-'68.

COBRA ON THE MOVE

1998 AUGUST

Photo taken somewhere in the Delta by Don Agren, **Emu 10 of the 135th AHC, LZ Bearcat** and later Dong Tam, August '70 - August '71. Anybody who can identify the aircraft's unit and location, please write to the VHPA Newsletter with details so Don will know whose photo he took.

EMUs, GO TRAIL

1998 DECEMBER

"Emus, Go Trail" was the command from the lead ship as the group flew into the sunset at Moc Hoa Airfield, southwest of Saigon in the Plain of Reeds region. Although an emu is a flightless Australian bird, it was also the call sign of the Experimental Military Unit which was composed of both US Army and Royal Australian Navy Pilots. VHPA member Don Agren, Emu 10 of the 135th AHC '70 - '71 took the photo of his flight leader in 1971.

LZ ENGLISH GOES BALLISTIC

Artillery illumination flares were drifting over and dropping into the ammo dump at **LZ English, Bong Song, II Corps, June '67**. The gunships belong to D Co. 229th AHB, 1st Cav. Div. Note the shrapnel in the blade on the blade on the far ship. Although VHPA member Al DeMillo reported this when it began, he was later surprised by the sound of what he at first thought was incoming. In his attempts to photograph the fireworks he was almost wounded by the flying shrapnel. He speculates that the incident was probably attributed to enemy activity rather than the artillery group.

The 1998 VHPA Calendar

The 1998 VHPA Calendar is copyrighted and published by Turner Publishing with the approval of the Vietnam Helicopter Pilots Association (VHPA). All rights reserved. Reproduction in whole or in part of any material in this calendar without the written permission of Turner Publishing and the VHPA is expressly prohibited.

Photo Owners

The owner or source for each photo is included in the narrative description. To the best of its ability, the VHPA obtained the owner's permission for each photo. The VHPA is especially grateful to Joe Kline, Mike Law, and Dave Turner for their dedicated support of the VHPA Calendar effort.

About This Calendar

The 1998 VHPA Calendar is the fifth calendar produced by the VHPA using Vietnam Era helicopter-related photos. The goal of the VHPA Calendar is to "put smiles on people's faces" and to help record, preserve and display the events and activities that were important to those who served in Southeast Asia during the Vietnam War.

Commemorations

The 1998 VHPA Calendar commemorates the 2,173 helicopter pilots who died or were declared MIA (missing in action) in Southeast Asia during the Vietnam Era (1961 through 1975). The VHPA compiled this roster and is solely responsible for its content. Details about any individual KIA (killed in action) and MIA helicopter pilot are available by contacting the VHPA. Unfortunately, the VHPA does not have any information concerning the Korean, Laotian, Thai, or South Vietnam Air Force helicopter pilots who died during the Vietnam Era; this roster includes only American and Australian military plus Air America helicopter pilots. The VHPA believes that no helicopter pilots from New Zealand or the Philippines died in Southeast Asia.

The VHPA helicopter pilot KIA/MIA roster includes the following:

US Army	1,884
US Marines	201
US Air Force	42
US Navy	30
Air America	8
Australian Navy	4
Australian Air Force	2
Australian Army	1
US Coast Guard	1

Concerning This Presentation

Three data items are presented for each KIA/MIA pilot: rank, last name and unit. Standard three-letter military codes appropriate to the pilot's branch of service are used to denote his rank. Air America pilots used captain and lieutenant ranks. An * after the rank code indicates that this pilot was posthu-

mously promoted, a condition usually applied to MIAs. For brevity reasons, only the pilot's last name is presented. The final item contains an abbreviation for the name of the pilot's military unit, or branch of service if the unit is not known.

Sample Presentation

On 3 Jan 1970, WO1 Gene John Olson was killed while serving as the aircraft commander in a helicopter belonging to A Troop, 1st Squadron, 9th Air Cavalry, 1st Cav Division.

On 3 Jan 1969, WO1 William Steven Childers was killed with Royal Australian Navy LT Tony J. Huelin when their aircraft struck a wire while flying for the 135th Assault Helicopter Company.

These pilots appear in this calendar on Jan. 3 as follows:

WO1 Olson A/1/9 CAV 1 CAV
WO1 Childers 135 AHC
SLT Huelin 135 AHC
