GOOD TO GO

2000 DECEMBER

U.S. Navy UH-1B Seawolf gunship on short snort final over the deck of USS Huntingdon County, June 1968. Note the crew member looking aft to clear the tail as the pilot sets her down on the deck. Note also the machine gun on the deck has been covered to keep it clean from the dirt and dust blown up by the helo. A gunner is sitting just behind the gun on the left in the photo by Norman E. Schrader.

The VHPA 2000 Calendar

The VHPA 2000 Calendar is copyrighted and published by Turner Publishing Company with the approval of the Vietnam Helicopter Pilots Association (VHPA). All rights reserved. Reproduction in whole or in part of any material in this calendar without the written permission of Turner Publishing Company and the VHPA is expressly prohibited.

Photo Owners

The owner or source for each photo is included in the narrative description. To the best of its ability, the VHPA obtained the owner's permission for each photo. The VHPA is especially grateful to all those who submitted photos for this calendar. If your photo was not chosen this year, look for it on a VHPA Newsletter or the next calendar. Fraternal thanks to Dan Calvert of the Seawolf Association for his help in getting the pilots of the only USN gunships in RVN to help out with their unique photos. Look for more in the VHPA Newsletter. The fine slides submitted by three tour Army pilot Don Joyce really made this an easy calendar to build. Look for more of his photos in the Newsletter too. And last, but not least, special thanks and gratitude to the wife and son of the late Ron Timberlake for his contributions to this calendar. He'll be missed.

About This Calendar

The VHPA 2000 Calendar is the seventh calendar produced by the VHPA using Vietnam Era helicopter-

related photos. The goal of the VHPA Calendar is to refresh the memories of all those who flew and worked on helicopters in Vietnam, and to record, preserve and display the events and activities that were important to those who served in Southeast Asia during the Vietnam War.

If a reader has additional information about any photo in this calendar, please submit it to Ken Fritz in care of the VHPA or email pr@vhpa.org.

Commemorations

The VHPA 2000 Calendar commemorates the 2,205 helicopter pilots who died or were declared MIA (missing in action) in Southeast Asia during the Vietnam Era (1961 through 1975). The VHPA compiled this roster and is solely responsible for its content. Details about any individual KIA (killed in action) and MIA helicopter pilot are available by contacting the VHPA. Unfortunately, the VHPA does not have any information concerning the Korean, Laotian, Thai, or South Vietnam Air Force helicopter pilots who died during the Vietnam Era; this roster includes only American and Australian military plus Air America helicopter pilots. The VHPA believes that no helicopter pilots from New Zealand or the Philippines died in Southeast Asia.

The VHPA helicopter pilot KIA/MIA roster includes the following:

US Army	1,884
US Marines	204
US Air Force	48
US Navy	34
Air America	25
Australian Navy	4
Australian Air Force	2
Australian Army	2
US Coast Guard	1
US Civilian	1

Concerning This Presentation

Three data items are presented for each KIA/MIA pilot: rank, last name and unit. Standard three-letter

military codes appropriate to the pilot's branch of service are used to denote his rank. Air America pilots used captain and lieutenant ranks. An * after the rank code indicates that this pilot was posthumously promoted, a condition usually applied to MIAs. For brevity reasons, only the pilot's last name is presented. The final item contains an abbreviation for the name of the pilot's military unit, or branch of service if the unit is not known.

Sample Presentation

On 3 Jan 1970, WO1 Gene John Olson was killed while serving as the aircraft commander in a helicopter belonging to A Troop, 1st Squadron, 9th Air Cavalry, 1st Cav Division.

On 3 Jan 1969, WO1 William Steven Childers was killed with Royal Australian Navy LT Tony J. Huelin when their aircraft struck a wire while flying for the 135th Assault Helicopter Company.

These pilots appear in this calendar on Jan. 3 as follows:

WO1 Olson A/1/9 CAV 1 CAV
WO1 Childers 135 AHC
SLT Huelin 135 AHC
