SUBJ: VC Cà Mau Province Party Committee, VC Region 3. (U)

(C-Mar 71) (1 page, typewritten; B-3) Directive 289/CT-B58, dated 15 Sep 70, signed by Bảy Nông for TV FT ((possibly aka Current Affairs Committee, VC Cà Mau Province Party Committee, VC Region 3)), forwarded to AK, FTV, B3, B55 ((possibly aka Cà Mau Province Unit)), B56 ((possibly aka Security Section, VC Cà Mau Province Party Committee)), B57 ((possibly aka Military Proselyting Section, VC Cà Mau Province Party Committee)), and B58 ((possibly aka Government Section, VC Cà Mau Province Party Committee)), outlines instructions to intensify military operations during Campaign V55-V56-V9-C. Document dictates that "V9-C" attacks be simultaneously conducted on the night of V11-KL/KG-V9-C ((codes)) and continued in all areas until AE-V9-AE. Areas with favorable conditions may conduct their attacks one or two days prior to the cited schedule; others could delay one or two days. The addressees were requested to exercise effective leadership in this campaign in order to meet the criteria for September ((1970)) and be prepared to achieve even greater successes. All villages, hamlets, and wards were to kill one tyrant ((possibly GVN official)) and capture one spy or local official in each area, and conduct armed propaganda to help the masses rise up and destroy the enemy's ((FWMAF/RVNAF)) oppressive control. All local forces and spearhead elements were to conduct continuous military operations, and strengthen their forces. Liaison and communication sections were to improve their organizations for successful transmission of information on local situations. Recapitulation reports were to be submitted to the Current Affairs Committee of FT ((VC Cà Mau Province Party Committee)) according to provisions prescribed by the ((1970)) Autumn Resolution.
