SUBJ: Resolution, Element of VC Eastern Binh Sơn District Party Committee, VC Quang Ngai Province, VC Region 5. (U)

(C-Jun 71) Item 1: (11 pages, typewritten; B-3) Resolution, dated 7 Dec 70, classified ((VC)) Top Secret, originated by Tân Công for V.100 ((possibly an element of VC Eastern Binh Sơn District Party Committee, VC Quang Ngai Province, VC Region 5)), contains an outline of the missions which are to be executed by subordinate agencies and units between 7 Dec 70 and 1 May 71.

Document reviews the political and military situations of both the enemy ((FWMAF/RVNAF)) and friendly ((VC)) forces. Regarding difficulties, document admits that cadre and combatants of friendly forces are suffering from such a critical rice shortage that they might eventually suffer hunger. In fact, this is one of the many factors that have made the development of friendly strength in enemy controlled areas difficult.

As for advantages, it was stated that the enemy forces have been driven into a complicated situation, rendering them more and more passive. Meanwhile, friendly forces have gained more and more prestige among civilians who support the Revolution.

Regarding missions of friendly forces, the document indicates that there would be two separate phases during which efforts are to be made to attain the following requirements:

((Phase 1)), from winter ((1970)) to 15 Jan 71: Destroy 300 enemy, including 50 tyrants. Destroy one B ((platoon)) and one pacification team. Attack five military vehicles, damage two others, and shoot down two airplanes. One to three secret agents are to be planted into each B of the 10n existing enemy People's Self-Defense Force B's. Also, one to three secret agents are to be planted into each of the two enemy Regional Force C's ((companies)). Military proselyting cells, which are operating legally in cities are to work out plans to disorganize the enemy administrative system from inter-family to hamlet levels.

Activate four sapper units in the Binh Phu (An Sen), Binh Dong (Thuân Phước), Sơn Trà, Binh Tri, Binh Phước, Binh Hoa, and Binh Hải areas.
