(C-Dec 70) (2 pages, typewritten; B-3) Circular, dated 19 Jun 70, signed by Võ Văn Lương for the Current Affairs Committee ((possibly of Sub-Region 4 Party Committee, VC Region 7)), forwarded to various subordinate agencies, provides guidance for countering the enemy ((FWMAF/RVNAF)) pacification program.

Document states that from 1 Jul to 30 Oct 70, the enemy was implementing his pacification program to: (1) Eliminate ((VC/NVA)) underground cadre operating in ((GVN)) controlled areas; (2) consolidate ((GVN)) administrative organizations from village to province levels in order to prepare for the 1971 ((GVN)) presidential election; and (3) isolate enemy ((VC/NVA)) units from the people.

Addressees were directed to implement all Party resolutions and directives concerning the frustration of the enemy pacification plan. Addressees were also to provide appropriate leadership to kill tyrants ((GVN officials)), personnel in military intelligence units, pacification teams, and Chiêu Hồi organizations; and to consolidate covert and overt agents in hamlets and villages. In addition, various branches and agencies were to cooperate with armed units to continuously conduct three-pronged attacks on enemy posts, to expand the people's movement, and to recruit additional members.

This circular was addressed to various districts, armed units, Party organizations, and Security and military proselyting sections.
