(C-Mar 71) (4 pages, typewritten; B-3) Plan, number 142/VP/NC, dated 8 Sep 70, signed by Nguyen Thanh Ha for A.35 ((possibly Security Section, VC Quang Da Province Party Committee, VC Region 5)), outlines additional instructions for the execution of Directive 130/VP/NC, dated 17 Aug 70 concerning aggressive preparations for the 2nd phase of ((Campaign)) K.750 in order to achieve major successes in killing tyrants ((GVN officials)) and reactionaries, disrupting the pacification program, and motivating the people to participate in the elimination of ((GVN)) spies and secret agents.

Document states that during Campaign X and phase 1 of ((Campaign)) K.750, all a/H ((possibly district Security Sections)) and cadre of A.35 did not fully appreciate the meaning of Directive 130 from A.35, and did not firmly grasp the task of disrupting the pacification program, which was considered the primary mission of the Party. Therefore, to remedy the cited situation, and to comply with a directive from F.55 ((possibly aka VC Quang Da Province Party Current Affairs Committee)) to shift from phase 1 to phase 2 of ((Campaign)) K.750, the entire campaign is to be focused on the following objectives: (1) Thwart the special pacification program of the enemy ((FWMAF/RVNAF)); (2) destroy a major segment of the enemy potential, particularly to kill tyrants, GVN administration and pacification personnel, and US CAP ((possibly CORDS)) teams at any cost; (3) destroy the war materiel of the enemy; (4) wipe out all spies and secret agents; and (5) motivate the masses to participate in insurgency operations to kill tyrants and disrupt the administration of strategic hamlets.
