SUBJ: Security Guard Unit, VC Region 10 Party Committee. (U)

(C-Dec 70) (29 pages, handwritten; B-3) Notebook, with entries dated from 13 Dec 69 to 10 Sep 70, maintained by an unidentified member of A13 ((possibly Security Guard Unit, VC Region 10 Party Committee)), contains notes on personnel strength and weapons status ((8 pages)), and minutes of meetings held by the Party Chapter of A13 during the cited period ((21 pages)).

12. 15. 16

Entry, dated Sep 70, reveals that A13 was composed of three squads designated A1, A2, and A3. As of Sep 70, the unit had 23 members equipped with seven AK's and two CKC's.

The minutes of a Party meeting held in Sep 70 pertain to future missions of A13, and claim that A13 would encounter greater difficulties and hardships. In compliance with an order from higher echelons, all expenses, including subsistence allowances and clothing expenses, were to be reduced by 50% or more. The unit was to provide its own food, even if it was assigned more demanding missions.
