PRG MILITARY DELEGATION NOTES PROTEST CEASE-FIRE VIOLATIONS

Liberation Radio [Clandestine] in Vietnamese to South Vietnam 0500 GMT 30 Jan 75 SG

[Text] On 27 and 28 January, the PRGRSV military delegation sent notes to the ICCS chairman on 198 serious cease-fire violations committed by the Saigon administration in PRGRSV-controlled areas in Kien Tuong, My Tho, Ben Tre, Binh Thuan and Binh Tuy provinces from 7 to 19 January.

The notes point out: The increasing criminal cease-fire violations of the Saigon administration throughout South Vietnam prove that the Saigon administration, directed and assisted by the United States, is accelerating the war and sabotaging the agreement comprehensively, systematically and ever more gravely.

The PRGRSV military delegation to the central Two-Party JMC vehemently denounces and severely condemns the stubborn schemes and very serious actions of the Saigon administration in sabotaging the cease-fire and the agreement. The United States and the Saigon administration must be held entirely responsible for all consequences of their acts of sabotage.
