BOMBING OF AMERICAN BUS IN SAIGON REPORTED 18 MAR

Liberation Radio [Clandestine] in Vietnamese to South Vietnam 1400 GMT 18 Mar 75 SG

[Text] AP reports that the spokesman for the U.S. Embassy in Saigon has admitted that early on the morning of 18 March a motorist hurled an explosive charge into a bus carrying Americans to Tan Son Nhut. This proves the high indignation of our compatriots in Saigon against the Americans, who are deliberately and stubbornly assisting the Thieu clique in prolonging the war, sabotaging the Paris agreement and opposing the compatriots' aspirations for peace, concord, freedom and a decent life.
