Dear Mom + Dad,

Sorry I took so long in sending this check, just had to get organized as you know. Everything is fine and well - presently looking to find a part time job on base. I finally had my jungle fatigues, & boots, raincoat, etc. issued - and now I look the part of the soldier.

In the heat of spirits and plan to stay that way for now on.

Just finished my first book over here - going to force myself to read ~~about~~ while keeping from day dreaming about getting out & doing things.

That's about it here - take care - & I'll write soon.

For
Howard
