1. The outstanding support provided by you while flying for the Division Long Range Reconnaissance Patrol Company added immeasurably to the accomplishment of this unit's assigned mission.
2. At all times you expended the maximum effort to ensure that the deployed LRRP Teams were properly supported. You inserted and extracted teams in and out of almost inaccessible landing zones. You flew night extractions under marginal weather conditions and enemy fire. The officer and men of the Division Long Range Reconnaissance Patrol Company have come to look upon you as one of their own.
3. It has been a privilege to have been associated with an Army Aviator of your stature. Congratulations on a job well done and best wishes for continued success in your military career.
