

Friday

Dear Pat -

I called Alice,
Alice called Dotty & Dotty
called me and all because
you are coming home in February
- So many people care about
you -

This note is short
we sent everything last night
- but your Christmas package
will probably be two years
but that's alright - Your
real gift is "early off" -
and it is our gift from
you at the army which?

So stay well - keep
warm -

I do love you so much
Mom
