

Wednesday

Dear Bob -

Some enclosures  
for you - I thought my <sup>old</sup> letter  
would amuse you - the  
paper clippings are from Lois -

Don't try to call  
Christmas Eve if there is a  
long line - call us at home  
the Sunday after -

Not much to tell  
your life is just about  
the same - just waiting for  
you to come home - O! happy

day - Just stay well and  
warm & don't break a leg if you  
ski - Lots of love Mom
