

Monday Evening

dear Rob, Frances & Melbrooke & they
were so happy to hear that you
enjoyed yourself as Uncle Bobo —
By the way — the turtle neck
short was from Aunt Dora and the
the with a Speedel watch band
enclosed is from the Uncle —
OK? — Hope you from the watch
band —

Christmas Eve was
hectic but fun — Bob Morsey
is developing into a gentle nice
father — and for him that is
quite a change — I think most
of the credit goes to Linda —

I'm gone and this violet
paper and Lois gave me a
purple violet soft counter rate
- very elegant and warm -

A little to really tell you
I think we use up all our
nerves in the phone calls -

I hope you can visit Uncle
Bob and his family again -

Love them my love or if not
acceptable - then give them my

best wishes - Try to take pictures
of them and Colorado - it will
be so nice to have them

I do love you
Tom
