Dear Robee -

Your uncle and I had
luncheon yesterday with your family -
The Madneys were there also - and
we had a most enjoyable time -
eating and visiting, and talking
about our children - you were
a most important topic - we
heard about Tailored & the Pacific Coast
Libraries & movie houses and such
things. I had one glimpse of the
Pacific coast at San Diego a few
years ago - first time I saw
palm trees, and a different look to the
surrounding country - sort of
desert like - are you taking
pictures? - I hope you are

I'd love to see what it all looks
like - Are you near San Francisco?

That sounds like a different city -
according to the T.V show's ~~facts~~
"from sides" ---

Lie, Sam & Lani all ~~frank~~
good to me - We hope to see them
at Thanksgiving time - we expect
almost all of the family - what
shall I do with all the children??

Have you any suggestions? -
Kind ones I mean -- (family)

Robbie you are in our thoughts
often and our prayers, of course -
Calvin keeps remembering his experiences
at Fort Dix - and Ted Chaffee -
Monday you'll be comparing notes -
But he got captured - so be careful -
Don't talk to any strange women -

Love
Aunt Betty -
