1. During my command of the 3d Battalion, 1st Infantry, 11th Light Infantry Brigade, your excellence as a crew member of my command and control helicopter was proven many times. A large portion of the credit for the damage we inflicted on the enemy was due to your unerring accuracy.
2. You are to be commended for the exceptional support you have rendered this battalion.
3. A copy of this letter will be placed in your official 201 file.
