

Dear Commander Librande:

We appreciate your efforts, but our party is all planned, groceries, meat, decorations, etc. are in. So please do not bring it up on the floor as our party is all taken care of. We want no publicity, no literature, no Mayor; Please check with us first on any ideas. This is not a V.F.W. party .

Carlos

The two women have buns on order, women working on centerpieces, etc.. Me at and groceries are in. ~~Much~~ effort has and is being expended by women of Carpentersville, This is not a V.F.W. party, Mrs. Marg. Forbes wrote - corresponded with Chaplain Hiskit when he was in Chu Lai, Vietnam and now he is stationed in Great Lakes Naval Hospital.

This party is definitely not a V.F.W. party.

These women have it all planned and taken care of.

I am writing to the Post-Net. (A. T. ... from San Librande.) ~~Just exactly~~ ~~not produce?~~ Let's skip groceries.
