Dear Friends,

We wish to express our deep appreciation for the gift which you directed to us for our servicemen in Vietnam.

Gestures such as this are certainly "living proof" that the people at home really care about our young men and women in the service of their country.

For your information all gifts are either directed to various units, to hospitalized servicemen, or they are distributed in our USO Clubs.

On behalf of these men, please accept our grateful thanks.

Dear Friends,

This week we received a box of books and distributed them to the patients here at the 95th Evac. Hospital. The men were really happy to receive a gift from people back home "who care". This is what your gift shows our fighting men - they are not forgotten. God love you for your kindness to them.

Sincerely yours,
