On this Christmas day, let each of us pause and take satisfaction in the fact that by serving here in Vietnam we are performing a vital and essential service for our families, our country, and the free world.

Although we may be far from our families and loved ones, we should recognize that the happiness which they enjoy at this time is the result of our efforts to preserve their freedom. The satisfaction of knowing this should be recompense enough for being separated.

To each member of the Support Group and his family go my sincere wishes for a Merry Christmas and a family reunion in the New Year.

## PRAYER

We pray, Our Lord, that as we celebrate Thy birthday, we may do it in a manner well pleasing to Thee. May all we do and say, every tribute of our hearts, bring honor to Thy name. And may we ever remember Thy birth and feel Thy presence among us. In the name of Jesus, who came to save His people from their sins we pray. Amen.
