Carl Lorence, Club Officer

Hi Carl,

The relay to Doc Hall worked out fine. He provided enough info for Sgt. Gray for me to fill in the blanks. That info has been relayed to the association president with recommendation for inclusion in the KIA list. Sgt Gray was assigned to 134th Med, the reason his name never appeared in our records. Jim Hall relayed his contact data to me and he has been added to the Tiger database. Also invited him to next year's reunion. Believe he will try to get there.

Thanks again for your help in this. It is greatly appreciated.

Best always,

Dave
