Gentlemen,

I need your help. I would like to contact the families of those from the 121st who were killed in Vietnam either while serving in the 121st or in some other unit and invite them to the 2007 reunion in Lubbock.. I would also like to contact the families of those who served in the unit but have since died. At the bottom of this email I have attached a list of those who were killed during the war or have since died. If anyone has any information that might help me track down their families, please let me know. Also, if there is anyone not on the list who should be, please let me know.

Many of you know who I am and why this is important for me, but for the new members, let me explain. I am the son of CWO2 James W. Hargrove, KIA with the 121st on 10/18/1966. Attending the 2005 reunion in Cape May was a very emotional but also very rewarding experience. Meeting and getting to know the men who served with my Dad meant more to me than I can ever express in words. I will always treasure the time I spent with Ray Nutter and Roger Swindler who were with Dad when he was killed. Because getting to know the men of the 121st has meant so much to me and my family, I want to reach out to the families of those no longer with us and invite them to Lubbock.

Anybody with information can respond through the group or you may contact me privately at [REDACTED] or [REDACTED]

For the new members, I want to welcome you to the group and also welcome you home. Thank you for your service.

Best wishes to all

James B. "Jim" Hargrove
