I think I have just forwarded you letter to George Cooper, Joe ONeill, and Bill Tilling. I may have sent it back to you by mistake. I have talked to all three of the guys in the past few days and they have some interest in the reunion. I had both George Cooper and Joe ONeill on flights when I was still flying. But had not talked to Bill Tilling since Soc Trang.

Here are their e-mail address;

Cooper: [REDACTED]

ONeill: [REDACTED]

Tilling: [REDACTED]

Keep me advised.
