AWARD OF THE AIR MEDAL FOR HEROISM

1. TC 320. The following AWARDS are announced.

Awarded: Air Medal (Eighteenth Oak Leaf Cluster) with "V" Device

Date action: 13 April 1967

Theater: Republic of Vietnam

Reason: For heroism while engaged in aerial flight in connection with military operations against a hostile force: These men distinguished themselves while serving as crew members of a transport helicopter flying a night evacuation mission. Elements of the 21st Infantry Division had encountered heavy opposition and had sustained heavy casualties. Due to their position, an evacuation of the wounded could not be accomplished until nightfall. Their aircraft was one of four transport helicopters which made three trips into the pickup site under intense automatic weapons fire and adverse conditions evacuating approximately 150 wounded soldiers. Their actions were in keeping with the highest traditions of the military service and reflect great credit upon themselves, their unit and the United States Army.

Authority: By direction of the President under the provisions of Executive Order 9158, 11 May 1942, as amended by Executive Order 9242-A, 11 September 1942, and United States Army Vietnam Message 16695 dated 1 July 1966.
