TO: Commander
14th Combat Support Gp

1. I would like to bring to your attention the excellent contribution Chaplain (Capt.) Charles B. Prewitt made to the wing historical program. Chaplain Prewitt's squadron history was valuable in establishing a theme for historical coverage of your organization and his efforts in research and in producing additional information aided the wing historian immeasurably. Thanks to Chaplain Prewitt the 14th Combat Support Group story has been recorded comprehensively and objectively.

2. I doubly appreciate Chaplain Prewitt's efforts. I am pleased that we were able to produce a wing history in depth sufficient to make future utilization meaningful; and I am always happy to identify and recognize those people who give a little extra of their time and talents to improve the wing. This attitude is what makes the difference between a unit which is adequate and one which is outstanding.
