What!?!?!?!?!?

Yes! It's been 5 years since IVS' last big bash at Harpers Ferry, WV.

This time around, we're hoping many more alums from recent years and from places other than Southeast Asia will also be a part of the sharing, updating and networking.

This event is entirely up to the alumni to organize and sponsor. The office will support us in what we do but does not have the staff nor time to make it happen. A small group of alums in Washington, DC has begun the process. Everyone is welcome to share ideas and be a part of the planning. And of course, part of the event itself. Also, organize other events in your area!
