Dear Larry,

This check is long over-due. I had thought for years I would like to contribute to the KHAO LAO since we enjoy receiving it so much. The latest one finally spurred me on to respond as it arrived with only the back page intact—all other pages missing. If you have a copy left over I'd love to receive another one. Thanks for the special handling!

Larry and I continue to live in Springfield. Having been here since '75, it feels like "home." Larry still works for the National Highway Institute, a division of Dept. of Transportation. He develops and contracts ^{out} courses for state highway personnel—requiring a bit of domestic travel. I enjoy my work at a local travel agency. It allows me to travel—in fact Larry & I went to China for a couple of weeks in Jan. It was a great trip to 5 cities—stirring lots of memories of our time in S.E. Asia.

Both of our kids are in college at Virginia Tech—so it's rather quiet around our house this year.

We love hearing about other people we once knew and greatly admire

your devotion to the Khao Lao.

I hope you get as much pleasure out of doing the "news" as you give those of us who receive it! Thank you.

Sincerely,
Sharon & Larry
