Dear Larry,

Laos is as great as ever  
and L.P. is almost the same  
at least for now. The people  
are as wonderful as ever. It  
brings back the good old days.

<sup>30 years ago as you know.</sup>  
I arranged with Becky Weldon  
Sithiwong, Golden Travel Tours  
in Chiang Rai to enter at Houei  
Sai and take a boat to LP -  
a 2 day trip with overnight  
stay at Pak Beng. This is the  
way to really see Laos. Have to  
go to VTE by plane as road caravays  
get attacked by bandits occasionally.  
Encourage your readers to visit  
L.P. without delay. Cheers, Tom Wood
