FOREWORD

PURPOSE

- A. This publication is to be used as a local supplement to Civil or Military flight information publications. Airfield and site status is subject to change as a result of local operational conditions. The Flight Information Center - Vientiane will coordinate with all interested agencies maintaining current information on Laos facilities. This FIC will be contacted as the primary source and/or final Company authority whenever airfield or site status is in doubt.
- B. Adherence to instructions contained in the Air Facility Data Pamphlet, its Addenda and NOTAMs is mandatory for Air America flying and ground personnel concerned (see Air America Operators Manual - Southeast Asia; Section 4.70F).

REVISIONS

Revised pages will be issued by FIC - VTE when necessary to update coverage. FIC - VTE will publish and distribute local Addenda or NOTAMs to all pamphlet holders for interim pen and ink correction pending publication and distribution of revised pages.

SUBMISSION OF INFORMATION

Company personnel or Customer and allied agencies should submit any pertinent or new information to the FIC at the Air America operating base in their respective area.
