Project 22424

I propose a direct communication with the Attorney General, as we have yet to materialize. The FBI has 10,000, and the State Attorney, who we have not heard from, is ready to go.

Requests have been made for material for training for miscellaneous sports equipment. A consignment of sports equipment was sent to the American Womens Club for consideration. Sports equipment for village schools was one of several items included in the present USAID policy does not permit purchase of sports equipment.
