

**EDU Staff Meeting
Tuesday, February 20, 1973**

Present: Green
Fitzgerald
Engler
Liston
Rantala
Colman
Levy

Absent: Costantino
Woodson

1. Route 13 to Luang Prabang is now under friendly control but is not yet open to traffic.
2. Situation in Houei Sai area has become unsettled again. Plans for visits there should be delayed.
3. AD/FO requests technicians to be precise about travel plans (state exactly which villages you plan to visit) when requesting permission for surface travel anywhere.
4. Jim Prescott is newly arrived CDAA/Sayaboury.
5. Recent refugees in Phone Hong area have returned to Vang Vieng.
6. Reminder: Continuing Resolution expires at end of this month. Project Managers should get in PIOs, APs, travel requests this week for items needed in March.
7. GAO team arrives Sunday (Lyons, King, and Olsen). They will do "a broad review of economic and military assistance."
8. Eleanor Green is visiting Saigon and Bangkok this week. Norm will go to Bangkok Thursday to Sunday to attend meeting with her. Hunter will be acting chief.
9. Copies of the report of UNESCO's International Commission on the Development of Education ("Faure Report") and USAID's comments on the report are available in Norm's office. The report is considered highly significant for future educational planning.

10. Hank Holmes is discussing possible contract position under MCH project to work on educational and informational materials related to population and family planning.
11. Jim, Tom, and Hartwell are going to Pakse and Savannakhet this week. Dick is in L.P.
12. CE has completed report on PSI conference.
13. Hunter is up-dating statistics on EDU in-service training for a report to HRDD.
