Meetings P.M. 3/26/73 MOE.

Meeting with Mr. Bounthong.

1. BHS - Military Teacher Problem. He agreed to talk to Mr. Khamkhing about the problem. Please see my SSB to BHS regarding suggested action.
2. I informed of notebooks and penalty to contractor.
3. He will submit a request for office equipment the MOE needs by priority.
4. He is concerned about Australian commodities. Said he has also talked to Mr. Gregg. I told him we had also contacted the Australians and suggested someone at a higher level in MOE initiate an official request for an answer from them if they are going to send the materials.
5. He gave me FY 74 presentation to Ministry of Plan. Fine Arts School is included as one of Vientiane/North schools(2). He said Minister Luam suggested that Mr. Oute use a fourteen room two story building at Ban Pa Yang - Monks built and Thao Bo provided supplies. This is out past Lao Skate. Oute turned the building down said it was too far away from town! I asked Mr. Bounthong where Mr. Oute was going to get the other K2.5 million he needs and Mr. Bounthong said he did not know.

Meeting with Mr. Thant .

1. SSWE requests are coming in and he has over half of the requests. He will send us information copy when he sends request to Mr. Somphou.
2. He said they submitted Science and Youth Movement Curricula to Mr. Khamtanh Chanthala and he returned it with many corrections and suggestions, Miss Lee will follow up to see where there are on this now.
