

4. Refugee Policies

leader for the completion of present foreign projects on the Vietnamese Plain has been authorized to visit their delegations and these projects should be completed by the end of February.

2. In-Service Training

The Villanueva National Friday School Teachers Conference was held in Ponce, P.R., January 15 - 25, 1973. This Bulletin's Monthly Report contains an excellent summary of the contents and accomplishments of the Conference. A detailed report will be issued soon.

1. Cerebellar Development.

4. Other Dangers

5. PERSONNEL

There is a need to continue with the construction of classrooms on a regular basis to upgrade the infrastructure of elementary schools. It is really alarming to show results and to appreciate how much beginning to seriously consider infrastructure development in the elementary schools.

7. Construction

	No. of Afr	No. of School	Number of Classrooms for Grades		Number of Classrooms for Grades		Total
			1-3	4-6	1-3	4-6	
Rural (Self Help)	15	31	51	18	9	3	88
CE (Urban)	30	10	57	30	-	-	30
Refugees	2	6	55	-	-	-	18
	47	47	163	48	9	3	206

Percent of new classrooms for Grades 1-3: 65%

Percent of new classrooms for Grades 4-6: 35%

Status of approved CE construction projects.
