1. Mr. Dean and Mr. Chandler will visit Savannakhet one day this week.
2. The number of TCNs employed by USAID has dropped from 563 in 1967 to 272 at present.
3. Public Health is working on public information materials advising against eating raw foods, particularly raw fish. There is a special concern that flat worm might infest the Nam Ngum reservoir. Lee and Dorothy will determine what material on this subject is already printed in Lao text books, in preparation for a probable future meeting with Public Health.
4. Bradley Bobson, a Princeton University graduate student, will visit EDU on Tuesday. He is a student intern working with ADFO this summer.
5. Dick will be leaving June 17 for TDY in Washington. His departure was very unexpected.
6. Lu, Jim, and Tom will be on annual leave at various times next week.
7. Hawaii Team staff meeting is scheduled for June 22, with a farewell party for the Butlers and Rankins on the 23rd.
8. Dewey Brumbaugh is expected to be in Laos on TDY in mid-July.
9. Dr. Harlan Cleveland, UH President, is also expected next month, about July 20.
10. Jim and Norm expect to go to Houei Sai on June 22 for further discussions on the proposed new ENI. Bill Sage will be in the office tomorrow to talk about the latest developments concerning this project.
11. The CE Activity Plan for summer in-service training has been approved.
